**ICE CREAM ROLL
MACHINE RENTAL (UK ONLY)**

Equipment Rentals

Ice Roll Pro offer equipment rentals to allow you to expand your current rolled ice cream operations, attend certain events with top-quality ice pans, or simply try out the concept to see if it's for you.

You can choose between:

- 1 or 2 pans in a double sized cart. We currently have 2 x double carts available (4 ice pans in total).
- A single Table-Top unit

Ice Pans

Ice Cream Cart

Our double-sized ice cream cart holds either 1 or 2 ice pans depending on your preference. If you only require 1 ice pan, you will still receive the double sized cart, with a 'blinking plate' in place of the second pan.

We have 2 x double sized ice cream carts, offering up to 4 ice pans in total.

The ice cream carts are a professional and functional option. You'll have access to ingredient pots, storage and even branding options for the front and side of the carts. Contact us for more information regarding the branding option.

Working area of each pan:
45cm x 45cm

Size of cart:
145 cm wide
65 cm deep
90 cm tall
115 kg
Power rating: 1.8kw

Table Top

A stand-alone self-enclosed unit which needs no other equipment. Just place onto a table, plug in and away you roll. This is the most portable option which can fit easily into any car.

Surface area of
50cm x 30cm
33cm tall
***A suitable table or area is required for the unit**

Included with each rental for free:

Recipe ideas, consultation via telephone on menu design, advice on where to purchase ingredients and sauces etc.

A single pan rental will include 4 x scrapers, 2 x measures, 2 x store and pours and 2 x tongs.

A double pan rental will include 6 x scrapers, 3 x measures, 3 x store and pours and 4 x tongs.
